MEMO ENDORSED

Re: United States v. Luis Henriquez Rondon
23 Cr 653 (CS)

Dear Judge Seibel:

I write with the consent of the Government requesting that the Court adjourn the conference scheduled for February 28, 2024 to March 20, 2024. I am in the process of reviewing the discovery and just yesterday, I submitted a request for the Court to authorize CJA funds for a Spanish speaking paralegal to review and summarize some of the evidence, including recordings.

Given the nature and breadth of the discovery, I will require additional time to review the discovery and it is for that reason that I am seeking to adjourn the conference.

If the foregoing meets with the Court's approval, then I respectfully request that the Court adjourn this case to mid March and "So Order" this letter. I consent to the exclusion of time from the speedy trial clock.

I hope everyone is well.

Conference adjourned to: March 20, 2024 at 11:15 a.m.

The time between now and then is hereby excluded under the Speedy Trial Act in the interests of justice. The ends of justice served by the exclusion outweigh

the best interests of the public and the defendant in a speedy trial because it will enable the defendant to review voluminous discovery and confer with counsel regarding next steps.

Respectfully,
Daniel S. Parker

So Ordered.
